Resume

Basic information

Name	Ahmed Fouad
Email address	ahmedfouad01099@gmail.com
Phone number	01099053978
Address	Mansura, Egypt
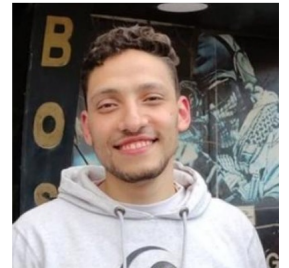

Objective

- senior focused on computer & information sciences at Mansura University.
- more than 4 years of experience with react.Js (including hooks, react-router, redux).
- More than 3 years of experience with react native with both (expo go & react native)
- experience with integration whether using Rest-API OR (GraphQl-Client & CodeGen)
- have good experience with integrating NFC tags in React native apps.
- less than 1 year of experience with Angular Framework.
- more than 4 years of experience using node.Js, express framework, rest APIs, and MongoDB.
- aware of using all these great tools socket.Io for real-time applications.
- less than 1 year of experience with Apollo-Graphql.

Skills

- JAVASCRIPT
- TYPESCRIPT
- REACT.JS
- REACT NATIVE
- Expo Go
- React-native CLI
- I18N
- REDUX
- FIREBASE
- GRAPHQL, GRAPHQL-CLIENT (Codegen with react)
- NODE.JS
- EXPRESS.JS
- Apollo GraphQl
- MONGODB

Work experience

11.2021 - 2.2022	**Mobile (React Native -Expo Go)** **Depax** • Cannula for Medical Services app. • Responsibilities: creating the application design and all its logic & functionality.

• tools: React-native (Expo Go), redux & redux-thunk
• download from here:
Android: https://play.google.com/store/apps/details?id=com.ahmedfouad225.cannula
iOS: https://apps.apple.com/eg/app/cannula/id1602269914

1.2022 - 2.2022	**Mobile (React Native)** **Ventio** • KelTech app. • Main Objective: assign LOCs to NFC tags & have an offline mode to create or edit LOCs in offline mode to save data on the app using SQLite then when you have internet start syncing to the main server. • Responsibilities: creating the application design and all its logic & functionality. • have its dashboard https://loc.store below. • download from here: Android: https://play.google.com/store/apps/details?id=com.usedoo_app iOS: https://apps.apple.com/us/app/loc-label-on-a-cable/id1643531827 • real-world testing video: https://www.youtube.com/watch?v=S7yI437M6CU&t=79s&ab_channel=KelTechIoE
1.2022 - 2.2022	**Front-end (ReactJs)** **Ventio** • KelTech Main Website. • https://loc.store • Responsibilities: front-end using react.js for creating a website and Redux for handling application state
3.2022 - Present => monitoring & fixing bugs. (Finished & delivered)	**Mobile (React Native)** **thecodefactory** • Wecre8 Saudi E-commerce App • Responsibilities: creating the application design and all its logic & functionality. • tools: React Native(CLI), typescript, redux & redux-thunk, apollo-client, codegen, i18n and logRocket for sessions recording. • download from here Android: https://play.google.com/store/apps/details?id=com.wecre8&pli=1 iOS: https://apps.apple.com/us/app/we-cre8-%D9%88%D9%8A-%D9%83%D8%B1%D9%8A%D9%8A%D8%AA/id1560692804
3.2022 - Present => monitoring & fixing bugs. (Finished & delivered)	**Front-end (ReactJs)** **thecodefactory** • WeCre8 Saudi E-commerce website • tools: Next.js, apollo-client, i18n, redux & redux-toolkit and sentry for monitoring. • Responsibilities: contributed to the website design and its logic & functionality for some important features. • https://wecre8.com/
5.2022 - Present => monitoring & fixing bugs. (Finished & delivered)	**Usedo App** **Microtech (Kuwait)** • Kuwait E-commerce App (End to End E-commerce Application) • Responsibilities: creating the application design and all its logic & functionality. • download from here Android: https://play.google.com/store/apps/details?id=com.wecre8&pli=1 iOS: https://apps.apple.com/lv/app/usedo-sell-buy-online/id1523226674

2.2023 - Present	**Mobile (React Native)**
	Freelance
	• Tactec App
	• Sport Spanish AppResponsibilities: creating the application design and all its logic & functionality.tools: React Native(CLI), typescript, redux & redux-toolkit, i18n and log rocket for sessions recording.download from here
	• Android: https://drive.google.com/file/d/16-epkx8zw_ER-fM7X3YpDR35F63_Xzrj/view?usp=sharing
	Note: it will be released soon on Google Play.
	• iOS: https://apps.apple.com/us/app/tactec/id1668711028
	Demo video: https://drive.google.com/file/d/1YOexRwsLAecWncyxXQwHMfxdiKErJA7x/view?usp=sharing
4.2023 - Present	**Mobile (React Native)**
	Thecodefactory
	• Salahub App
	• SALA HUB is a great leader in KSA's entertainment sector adhering to safety guidelines and emphasizing the importance of family bonding and social development. 	• App Responsibilities: creating the application design and all its logic & functionality.tools: React Native(CLI), typescript, redux & redux-toolkit, i18n and log rocket for sessions recording.download from here
	• Android: https://play.google.com/store/apps/details?id=com.salaapp&hl=en
	• iOS: https://apps.apple.com/eg/app/sala-hub/id1582542716
	Demo video: https://www.instagram.com/reel/C7wCklbAuKV/?hl=en

Qualifications

1) React - The Complete Guide (incl Hooks, React Router,
Redux).
2) NodeJS - The Complete Guide (MVC, REST APIs, GraphQL,
Deno).
3) React Native - The Practical Guide [2021 Edition]
.4) JavaScript Algorithms and Data Structures Masterclass.
5) Master React Native Animations.
6) Microservices with Node JS and React
6) Master Laravel 10 for Beginners & Intermediate 2023
7) Vue - The Complete Guide (incl. Router & Composition API)

Education

9. 2017 - 9. 2021	**Software Engineering**
	Faculty of (Computer & Information Science). Mansura University
	Bachelor's degree of Software Engineering Department.

Interests

Learning New Technologies
• Always eager to learn about emerging technologies and trends in web development.
Cloud Computing

- Interested in deploying applications on cloud platforms (e.g., AWS, Heroku) and exploring serverless architecture.

API Development
- Enjoy designing and implementing RESTful and GraphQL APIs for seamless data interactions.

PHP Laravel with Vue.js
- Interested in expanding skills to learn PHP Laravel framework alongside Vue.js for building dynamic web applications.

Social Interests

1. **Playing Football**
- Enjoy playing football regularly, promoting teamwork and fitness.

2. **Traveling**
- Passionate about exploring new cultures and destinations, enhancing global perspectives.

3. **Reading**
- Enjoy reading a variety of genres, including technology, fiction, and personal development, to expand knowledge and creativity.

Language

English — B2
Arabic — Native Language
